**THE EXECUTIVE ONLINE  
LEARNING SERIES®**

A PROVEN WAY TO LEARN ENGLISH

# Effective Learning Techniques in an Online Setting

The University of New Brunswick English Language Programme (ELP) is pleased to present **Executive Online Learning** courses designed to help you with continued practice in hearing, speaking, writing, and reading English.

## Grammar Live!

**Grammar Live!** presents the unique design of ELP grammar practice in an online setting. You interact in real time with an experienced ELP facilitator who will provide on-the-spot **correction** and **direction**. Repeated sentence patterns used during course exercises help you to remember what you have learned. Private or group sessions are available.

### Features include:

- facilitator-directed learning and professional support
- convenience of learning from your home or office
- sessions available for all proficiency levels
- fun, interactive communication
- ten real-time classes

### Technical requirements:

- a computer with a dual-core or faster processor
- a high-speed or DSL internet connection
- a noise-cancelling headset with a USB connection
- an internet browser  
(Firefox, Chrome, or Internet Explorer 10 or later preferred)
- the free downloadable version of Skype™  
(available at [www.skype.com](http://www.skype.com))

## Bridges for Business

**Bridges for Business** is a reading and writing course with ten weekly writing assignments and three live discussion sessions via Skype™. Each weekly lesson is based on a selected current business article. You read the article, then answer the questions and send them to your ELP facilitator. The specialized ELP two-stage **correction** approach gives you **guidance** in finding your errors, and practice in developing your written communication skills.

### Features include:

- facilitator-directed learning and professional support
- timely guidance and correction
- three real-time classes to discuss your writing
- convenience of working from your home or office
- customized industry-specific content

### Technical requirements:

- Same as **Grammar Live!**
- Word processing program (Word 2010 or 2013 preferred)

*Downtown Fredericton with the St. John River*
