**Office of the Dean of  
Education**

Dear Applicant:

Thank you for your interest in the Bachelor of Education program at the University of New Brunswick's Faculty of Education.

The UNB teacher education program combines the benefits of a long tradition in its field with recent reforms in teacher education. The faculty at UNB is highly qualified and their expertise covers a wide variety of disciplines in teaching, research, development, and publishing. The work of our Faculty is highly regarded nationally and internationally.

We work closely with School Districts, the provincial Department of Education, and the New Brunswick Teachers' Association to ensure that the preparation of teachers reflects the important perspectives that the partners bring to education and teaching. Our goal at UNB is to educate high quality pre-service teachers who will enhance the calibre of the teaching force.

Central to the strength of our program is the quality of those who are admitted. Consequently, we undertake an intensive screening of those who apply. In addition to academic grades, we carefully consider experience profiles and references. On the basis of this information, some applications are selected for personal interviews. Please take great care in the preparation of your application.

The application form and all the supporting documents must be sent to the Registrar's Office at the University of New Brunswick on the dates specified for the particular program you wish to enter: December 31 for Bachelor of Education (BEd) or March 31 for Faculty of Education Admission Advantage (FEAA). Files completed after this date may be considered. Final decision on the status of your application will be made as soon as possible.

We look forward to your application.

The deadline for these applications is March 31<sup>st</sup>.**

**2. The Competitive Nature of the Admissions Procedure:**

Admission is competitive and the number of spaces in the program is limited.

**3. Required documentation:**

a) *Profile & Personal Interest form:* Great care must be taken in the preparation of this document, which should be typed or neatly written.

b) *Personal Statements (Please see check list at end of application):* Applicants are asked to provide three short pieces of writing for the application – an assessment of learning from education related experience; an assessment of professional preparation from their undergraduate education; and a statement of professional and personal goals for the B.Ed program. Each of these should be submitted on a separate piece of paper.

c) *References:* Applicants are advised to discuss their plans with potential referees before deciding which three people to ask for recommendations. Please be careful to send the appropriate reference form to the person you wish to have address that aspect of your background. Strong references can only help a file while poor references will weaken it. It is imperative to stress the importance of submitting the recommendations on or before the specified deadline – March 31<sup>st</sup>.

d) *Official Transcripts:* Official transcripts are those forwarded directly to the Registrar's Office from each high school attended by the candidate.

**4. Interview:**

Those applicants required to attend an interview will be notified in due course. Expenses incurred will be the responsibility of the applicant. Not all applicants will be interviewed.

**5. Documents:**

Documents are kept on file for one year, then they are destroyed. Documents are the property of UNB and cannot be returned to applicants or forwarded outside UNB.

**6. Deadline Date for Applications:**

The deadline for applying to the FEAA High School program is March 31. All supporting documents must be submitted to UNB by this date.
