

THE GRADUATING STUDENT LEADERSHIP AWARD

2022 Nomination Guidelines

The UNB Saint John Graduating Student Leadership Awards recognize students who have made outstanding voluntary extracurricular contributions to their academic program/department, or to UNB Saint John as a whole.

The awards program was created in 2005 by the UNB Associated Alumni to acknowledge and encourage student participation in university affairs. More than 350 alumni are now members of this exclusive group of 'UNB Saint John Graduating Student Leaders'.

NOMINATION DEADLINE

March 1, 2022, before midnight is the nomination deadline to submit your online application.

Final selection of the award recipients will be made by **March 9**. Email announcements will follow from the Associated Alumni Office. An event to recognize all recipients will be held on Thursday, March 31st.

NOMINATION PROCESS

Students who meet the following selection criteria can nominate themselves for this award or be nominated by a member of the UNB Saint John community including faculty, staff, or alumni. **Note: a student cannot nominate another student.**

The online nomination form must be submitted along with a current resume detailing extra-curricular contributions, a transcript is not necessary.

Nominators must obtain the consent of the student by having the student sign the nomination form.

SELECTION CRITERIA

- Only students who are graduating in spring or fall of the award year are eligible; - Recipients must currently be actively enrolled at UNB Saint John in either a full-time or part-time degree program and be in good academic standing at the time of nomination.
- Preference is given to students who have made voluntary extracurricular contributions to their academic program/department, or to UNB Saint John as a whole.
- The student's voluntary contribution(s) may take the form of anyone, or a combination, of the following: leadership on committees, or influence on student or university affairs; improvement in the quality of life of students; encouragement of fellow students to become involved in extracurricular activities; and contribution to the sense of community at UNB Saint John.

Leadership and involvement should be considered in relation to good academic standing. The value of the student's contribution rather than an office held, should be the major criterion considered.
