**WE ARE THE
SOLUTION!**

The image features a solid teal background. In the bottom right corner, there is a stylized silhouette of a mountain range in a slightly darker shade of teal. The text "WE ARE THE SOLUTION!" is centered in the upper half of the image in a bold, white, sans-serif font with a black outline.

Consequences

- ◆ Inadequate Infrastructure & Maintenance to Road Transport Industry:
- ◆ Higher Operating Costs
 - Maintenance
 - Fuel
 - Other

Consequences

Higher Business Costs

- Roads not useable 12 months of the year (Spring weight restrictions, etc)
- Road Transport Industry not involved enough in planning and design.

Some Priorities

- ◆ 1. Rest & Refuge Areas
- ◆ 2. LCV Staging Areas

Rest & Refuge Areas

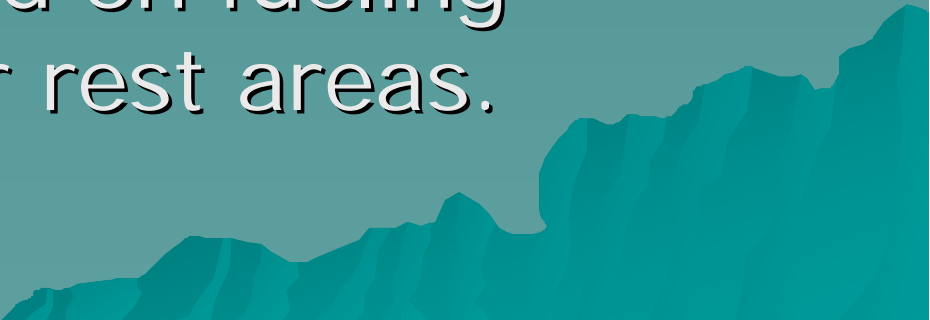

◆ Location

- Halifax
- Truro
- Moncton
- Saint John
- St Stephen
- Fredericton
- Woodstock and Edmunston

Critical to Public
Safety and
Regulatory
Compliance

e.g. Hours of Service

Facts

1. Number of fuel suppliers, e.g. Petro Canada, Esso, Irving
 2. Not all of them have rest areas with fueling.
 3. We cannot depend on fueling stations to be our rest areas.
- 

LCV Staging Areas

- ◆ Long Combination Vehicles – 40 meters long
- ◆ Areas needed for safe, efficient operation of LCVs
- ◆ Like rail marshalling yards – 30 to 60 acres, depending on location
