

CLINICIANS

SOTTO VOCE QUARTET

The highly acclaimed, internationally recognized Sotto Voce Quartet enthusiastically challenges preconceived notions about

what tubas can do by composing, arranging and commissioning virtuosic new works that highlight the diversity of their ensemble. The artists who make up the quartet are Demondrae Thurman and Mark Carlson on euphonium and Nat Macintosh and Mike Forbes on tuba. Individually they have widely diverse careers in music and are regularly in demand as performers, composers, and clinicians.

LANCE NAGELS Tuba

Lance's career spans a variety of musical genres, from rock-band trumpet to avant-garde tuba. An orchestral and chamber tubist in

Quebec City since 1979, he promotes the tuba and euphonium through teaching, clinics, and solo playing. Professor at the Conservatoire de Musique de Quebec, U Laval, CEGEP Ste. Foy, and Domaine Forget Academy, Lance can be heard on CDs of the Orchestre symphonique de Quebec, U Laval Brass Quintet, and the Montreal Symphony's "The Planets".

JEAN SUTHERLAND Piano

Jean Sutherland started her career as a full time accompanist and a teacher at the Quebec Conservatoires in 1978. For the past 5 years, she has accompanied and coached at the Domaine Forget, where you can hear her playing with some of the world's finest musicians. Jean is a regular at the TubaFest, where she has accompanied such greats as John Griffiths, Adam Frey, Oystein Baadsvik, and of course, her spouse and colleague, Lance Nagels.

FREDERICTON INTERNATIONAL TUBAFEST

Richard Riding, founder of Fredericton International TubaFest, died August 1, 2011. TubaFest 2012 is a Memorial to him and to his dedication to the tuba and euphonium. He loved playing and promoting the sound and versatility of these low brass instruments. TubaFest provides a unique opportunity to obtain coaching from recognized musicians and to play with other low brass musicians. This year will again feature music written specifically for tubas and euphonias as well as some arrangements of old classics. Enjoy another great workshop in 2012.
