

# FACULTY OF SCIENCE CAREER WEEK

Are you choosing your program of study, career path, looking to make employment connections, in need of advice or resources?

If YES, The Faculty of Science Career Week is ideal for you! It has been designed to assist you in the decision making process. It will help you consider your career path, examine future employment opportunities, and provide valuable links to resources and people.

## EVENT SCHEDULE

### **Monday, January 25**

"Future Employers & You"

12:30 - 1:30pm Room 146, Bailey Hall

Learn about current market trends, employers, how to build your portfolio, and Student Employment Services career resources available to you.

(Bring your lunch)

### **Tuesday, January 26**

"Connecting your Program to Future Options"

12:30 - 1:00pm Auditorium C13, Head Hall

&

"Declaring a Major - The Students' Perspective"

1:00 - 2:00pm Auditorium C13, Head Hall

Get a view of the Career Connections website and see how it can work for you. Hear what upper level Science Students have to say about their future goals and program of study. Have questions...get answers from their perspective. <https://www.unb.ca/sweb/careerconnections/>

(Bring your Lunch)

### **Wednesday, January 27**

"Career Exploration Luncheon & Workshop"

12:30 - 2:30pm Senior Common Room, McConnell Hall

The Dean's Office is proud to sponsor a luncheon and Career Exploration Workshop for science students. Come discuss the many career options, do self-exploration, utilize evaluation tools for choosing your career path, and learn how to get started. This workshop is free but space is limited. We ask that students confirm their attendance to Angela Regier, Student Services Coordinator at [aregier@unb.ca](mailto:aregier@unb.ca) or 453-4586 no later than Monday, January 25th, 2010.

**Thursday, January 28**

"What Can Science Co-Op Do For You"

12:30 - 1:30pm Room 105, MacLaggan Hall

&

"Learn the Art of Networking"

1:30 - 2:30pm Room 105, MacLaggan Hall

Looking to build your portfolio, make employer connections, gain experience? Find out what Co-op can do for you and how to utilize your networking skills.

(Bring your lunch)

**Friday, January 29**

"What Can You Do With Your Degree" Alumni Panel & Reception

1:30 - 3:30pm Alumni Lounge, Alumni Memorial Bldg

The Alumni Office is pleased to present a panel of UNB Science Alumni from the various programs. The Alumni will discuss their degree, what came after graduation, and where they are today. A question and answer period will follow and then a reception meet and greet, a great opportunity to connect with these valuable resources.
