

Currie Undergraduate Scholarship

The Currie Undergraduate Scholarships were established by Richard James Currie, O.C., O.N.B., C.B.H.F., M.B.A., D. Litt., P.Eng., who served 10 years as Chancellor of the University of New Brunswick from 2003 to 2013. The May 2013 convocation ceremonies saw Dr. Currie honoured as Chancellor Emeritus at the University of New Brunswick.

These prestigious scholarships are awarded annually to students beginning an undergraduate degree program at the University of New Brunswick upon graduation from a high school in any of the four Atlantic Provinces. The Currie Undergraduate Scholarships are intended to support the education of future leaders. The applicants are therefore asked to submit an essay (not less than 250 words) giving the Selection Committee an indication of their leadership capabilities to date including, but not limited to, school and extra-curricular activities. Required in the essay is evidence of overcoming barriers or difficult situations. Financial need is an important consideration.

A total of **four** Currie Undergraduate Scholarships will be awarded.
Value: A total of **\$65,000** each, awarded as follows:

Year 1: \$20,000	Year 3: \$15,000
Year 2: \$20,000	Year 4: \$10,000

NOTE: Recipients are required to **live in residence** for the first year of their degree program. A scholarship GPA of 3.7 is required each year to renew this scholarship.

If the application deadline falls on a Saturday or Sunday, please ensure your application is received by UNB on or before the Friday proceeding March 1. The application package may be emailed to the Undergraduate Awards Office as a single PDF, faxed or mailed. The applicant must be able to supply the original documentation to the Undergraduate Awards Office upon request.
