

**Historical Record of Steven E. Dwornik Award Recipients**

<b>Year</b>	<b>Citation</b>	<b>Meeting</b>	<b>Recipient and Institution</b>	<b>Presentation Title</b>
1991	Award - Oral	LPSC	Laurinda Chamberlin, Calif. Inst. Tech.	
1991	Award - Oral	Annual GSA Meeting	Robert Sullivan, Arizona State University	

**Beginning in 1992 awards were given only for presentations at the Lunar and Planetary Science Conference, and honorable mention citations were begun.**

<b>Year</b>	<b>Citation</b>	<b>Recipient</b>	<b>Institution</b>	<b>Presentation Title</b>
1992	Award - Oral	Nathan T. Bridges	Arizona State University	
1992	Honorable Mention - Oral	Kenneth S. Edgett	Arizona State University	
1992	Honorable Mention - Oral	Tracy K. P. Gregg	Arizona State University	
1992	Honorable Mention - Oral	Bradley G. Henderson	University of Colorado	
1992	Honorable Mention - Oral	Timothy J. McCoy	University of Hawaii	
1992	Honorable Mention - Oral	Elizabeth McFarlane	Arizona State University	

**Awards for poster presentations were initiated in 1993.**

1993	Award - Oral	Laura Watson	California Institute of Technology	
1993	Award - Poster	Patrick McGovern	Massachusetts Institute of Technology	
1993	Honorable Mention - Oral	Lauren Browning	University of Tennessee	
1993	Honorable Mention - Oral	Jessica Sunshine	Brown University	
1993	Honorable Mention - Poster	Erich Fisher	Brown University	
1993	Honorable Mention - Poster	E. Michlovich	Purdue University	
1993	Honorable Mention - Poster	W. Tonks	University of Arizona	
1994	Award - Oral	Lauren Browning	University of Tennessee	
1994	Award - Poster	Tracy K. P. Gregg	Arizona State University	
1994	Honorable Mention - Oral	Maribeth Price	Princeton University	
1994	Honorable Mention - Oral	Robert Pappalardo	Arizona State University	
1994	Honorable Mention - Poster	Melissa Wenrich	Arizona State University	
1995	Award - Oral	Laura Griffith	Washington University	
1995	Award - Poster	Erich Fisher	Brown University	
1995	Honorable Mention - Oral	Rachel Friedman	University of Hawaii	
1995	Honorable Mention - Oral	Olivier Barnouin	Brown University	
1995	Honorable Mention - Poster	Eric Grosfils	Brown University	
1995	Honorable Mention - Poster	Thomas Burbine	Massachusetts Institute of Technology	
1995	Honorable Mention - Poster	Jason Dahl	Bemidji State University	

1996	Award - Oral	Catherine Weitz	Brown University	Eruption and emplacement of lunar pyroclastic glasses as inferred from the 74001/2 section
1996	Award - Poster	Darren Williams	Pennsylvania State University	Habitable planets with high obliquities
1996	Honorable Mention - Oral	Glenn A. Gaetani	Massachusetts Institute of Technology	The effect of variable fO <sub>2</sub> /fS <sub>2</sub> conditions on wetting angles in olivine/sulfide melt aggregates: mobility of sulfide melt in the Earth's upper mantle
1996	Honorable Mention - Oral	Victoria Hamilton	Arizona State University	Determining the composition of Mars: vibrational spectroscopy of the Zagami meteorite
1996	Honorable Mention - Poster	Matthew Staid	Brown University	Craters as indicators of compositional stratigraphy in Mare Tranquillitatis and Serenitatis
1997	Award - Oral	Dante Lauretta	Washington University	The Origin of Ni-bearing Sulfides in CI Carbonaceous Chondrites
1997	Award - Poster	Jannette Akridge	University of Arkansas	Fusion Crust and the Measurement of Surface Ages of Antarctic Ordinary Chondrites
1997	Honorable Mention	Kevin Williams	Arizona State University	
1997	Honorable Mention	Steven Hauck	Washington University	
1997	Honorable Mention	Michelle E. Minitti	Brown University	
1997	Honorable Mention	Nancy Chabot	University of Arizona	
1997	Honorable Mention	Rachel Mastrapa	University of Southern California	
1997	Honorable Mention	Scott Mest	University of Pittsburgh	
1998	Award - Oral	Nancy Chabot	University of Arizona	The effect of S on the solubility of K in m
1998	Award - Poster	Michelle E. Minitti	Brown University	Assessment of shock effects on homblende water contents and isotopic composition
1999	Award - Oral	William A. Pike	Carleton College	Melting temperatures in the Fe-Ni-S system at high pressures: Implications for the state of the martian core
1999	Award - Poster	Geoffrey Collins	Brown University	Surface stresses resulting from internal differentiation: Application to Ganymede tectonics
1999	Honorable Mention - Oral	Carolyn van der Bogert	Brown University	Experimental frictional heating of dolomitic marble: New insights for martian meteorite Allan Hills 84001
1999	Honorable Mention - Poster	Elizabeth Addington	University of Massachusetts	Clusters of Small volcanoes on Venus
1999	Honorable Mention - Poster	Brian Banks	Southern Methodist University	Intratessera flood-lava basins (ITB's) constrain timing of crustal plateau structures
2000	Award - Oral	Christopher Cooper	Brown University	
2000	Award - Poster	Carolyn van der Bogert	Brown University	
2000	Honorable Mention - Oral	Jennifer Anderson	Brown University	
2000	Honorable Mention - Oral	Joshua Bandfield	Arizona State University	

2000	Honorable Mention - Poster	Natasha Johnson	Washington University	
2001	Award - Oral	Sarah T. Stewart	California Institute of Technology	
2001	Award - Poster	Jennifer Anderson	Brown University	
2001	Honorable Mention - Poster	Matthew Silver	Whitman College	
2001	Honorable Mention - Poster	Kevin K. Williams	Arizona State University	
2002	Award - Oral	Kelly Wilbur	Brown University	
2002	Award - Poster	Nicholas Warner	State University of New York	
2002	Honorable Mention - Oral	Molly McCanta	Brown University	
2002	Honorable Mention - Oral	Chris Okubo	University of Nevada, Reno	
2003	Award - Oral	Brad Thomson	Brown University	
2003	Award - Poster	Erin Krall	University of California, Santa Cruz	
2003	Honorable Mention - Poster	John Chappelow	University of Alaska	
2003	Honorable Mention - Poster	Catherine Corrigan	Case Western Reserve University	
2004	Award - Oral	Nicholas J. Tosca	State University of New York, Stony Brook	
2004	Award - Poster	Keith A. Milam	University of Tennessee	
2004	Honorable Mention - Oral	Sarah K. Noble	Brown University	
2004	Honorable Mention - Oral	Chris Okubo	University of Nevada, Reno	
2004	Honorable Mention - Poster	Joel A. Hurowitz	State University of New York, Stony Brook	
2005	Award - Oral	Jeff C. Hanna	Washington University	Tectonic pressurization of aquifers in the formation of Mangala and Athabasca Valles on Mars
2005	Award - Poster	Sarah M. Milkovich	Brown University	Stratigraphic analysis of the north polar cap of Mars
2005	Honorable Mention - Oral	Oleg Abramov	University of Arizona	Impact-induced hydrothermal activity on early Mars
