

Experience Atlantic
Canada by participating in
excursions and enjoying
local cultural events.

STUDY ABROAD EXPERIENCE IN CANADA

English Language Programme • A proven way to learn English since 1950

Live and Study English in New Brunswick's Capital City

Combine international travel, adventure, and education.

Immerse yourself in Canadian culture and learn English with fellow international students.

Live in residence, make new friends, and experience life as a Canadian university student.

Choose from three term options:

- September - December
- January - April
- April - July

Customized Orientation

Orientation workshops and translation sessions focus on university/community cultures and how to access services.

Logistical and Support Services

ELP helps students navigate their way through the entire cultural and educational experience of studying abroad.

Academic-Based Curriculum

Students participate in a comprehensive language training program designed to improve their English for university study.

Immersion Experience

ELP provides an English-only environment to help students learn quickly and efficiently.
