Teachers Tend to Stay

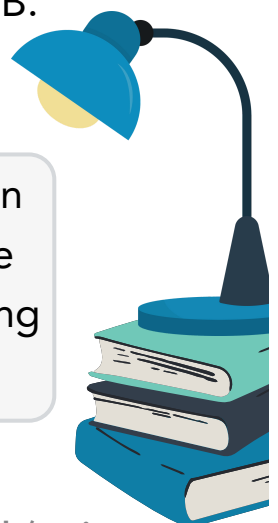

- ★ However, based on teachers' age + years of experience, 75% of exits occurred before the typical retirement threshold.

Only half of NB B.Ed. graduates become public school teachers in the province.

NB residents are most likely to stay and teach in NB.

Those who leave the profession are still very likely to stay in the province: 85% who exit teaching in their 20s-30s still live in NB.
