Notes:

A review of courses offered by Fredericton Faculties on the Saint John campus resulted in the correction to the allocation of these courses.
A review of the Faculty of Nursing exclusions and historic cross-listing was completed in 2010-11, resulting in a major restatement of sections sizes especially for Graduate level courses.
Where possible, cross-listings have been applied to historic data; however, this was not possible in all instances and may result in some of the yearly differences.
All online "FRL" sections (formerly called Open Access Learning Program (OALP) sections) are automatically excluded from the report.
