Registrations in sections where the students have paid fees by the first day of exams.

Excludes sections and students registered in partnership programs (e.g. Humber, Trinidad).

Other than for cross-listed courses, allocations of courses are based on the primary department associated with that section. There is no weighting done for sections which are shared.

As per the Registrar's methodology, blank records are allocated to the category with the lowest value. For example, if student load is not known, the student is shown under a part-time status.
