To receive credit for IDS 4003, students will have to submit a certificate of completion, signed by your supervisor at your practicum or the UNB International Initiatives, Internships and Programs office. As well, you will need to submit a 15-20 page report on your practicum experience that explore the following questions: What did you learn through your practicum? In what ways were you able to contribute to the goals of the organization where you were placed? How did experiential learning about international development issues differ from classroom / readings-based learning?
