

How A Student Can Submit Their Quiz Attempt In Progress

Step 1 : Under the grey minibar, select the “**message alerts**” icon that looks like an envelope (Email Icon).

Step 2 : If you have a quiz attempt in progress you’ll see a message that reads “*You must complete the following quizzes for alerts to be enabled*” and below that, in blue text, will be a link to the quiz in progress. If you click on the name of the quiz in blue text (IE [Chapter 2 Quiz](#)) you’ll be hyperlinked into that quiz where you can continue on and/or submit your quiz attempt.

The screenshot displays the UNB Learning Management System interface. At the top, a grey minibar contains navigation links like "My Home" and "Select a course...". A yellow arrow points to an envelope icon in the minibar, which triggers a message alert. The alert text reads: "You must complete the following quizzes for alerts to be enabled:" followed by a blue hyperlink "Chapter 2 Quiz". Another yellow arrow points to the "Go to Email" link in the alert. Below the alert, the "My Courses" section shows a dropdown for "Term" set to "All" and a list of "Last 25 Accessed Courses" including "Design Survey" and "Sandbox". On the right, a "UNB News & Announce..." sidebar displays a notice titled "Copyright and D2L" posted on Aug 20, 2014, with a close button (X).
