Granting Students Access/Activating Your D2L Course

1. Inside of your course, select the “Edit Course” button.

2. Select “Course Offering Information”.

3. Check off the “Course is Active” box.

4. Optional: Select “Course has start date”
   A) Enter a start date and time.

5. Optional: Select “Course has end date”
   B) Enter an end date and time.

NOTE: If you put in a course start and end date, make sure to also check off the “Course is Active” box. The course will only open to the students once the start date and time arrives.
6. At the bottom of the page, press the “Save” button.
