ED6108 and **ED6109**: Special topics courses. These are often offered to focus on a current issue or research focus (See our [graduate course listing](#) for details). Your advisor/supervisor can tell you which of the above areas the special topics may fill.

- In the table immediately above, the courses preceded by an asterisk (*) may not be offered every year.
- Exceptions to the prescribed programs above may be considered in consultation with your advisor/supervisor with the approval of the Associate Dean.
- Electives may include any graduate course in Education or approved courses in other disciplines (up to two 4000-5000 level undergraduate courses). To see a full list of courses and where they fall within your planning guide, please visit the [course listings](#).
