

From GIS to Data Management:

Perspectives from the UN in Africa

DR. DOZIE EZIGBALIKE

TUESDAY JUNE 4

9:30

E-52

Dr. Ezigbalike is a PhD graduate (1988) in the Dept. of Geodesy and Geomatics Engineering. Dozie was appointed Chief of the Data Technology Section in March 2013 at the UNECA in Addis Ababa. Prior to this he was Data Management Coordinator from December 2009. Before this assignment, he had served ECA in various capacities, namely, Chief of the Geo-Information Systems Section in ISTD, Knowledge Management Coordinator of ISP and Development Management Office in DISD. Prior to joining ECA, he lectured in land surveying, GIS, land administration and spatial analysis at the universities of Zimbabwe, Botswana and Melbourne. He holds a PhD in Land Information Management from UNB; an MSc in Land Surveying from the Ahmadu Bello University in Zaria, Nigeria; and a BSc (Hons.) in Surveying from the University of Nigeria, Enugu Campus. Dozie (Yogi Ananda) is also a certified yoga teacher (Yoga Siromani).
