

McElhanney

Come work in British Columbia!

Booming economy...
Exciting projects...
Respected mentors

McElhanney Consulting Services Ltd.

will be at UNB to talk to Geomatics Engineering students about exciting opportunities throughout Beautiful BC.

**Join us on Wednesday, November 27 2013 | 6:00pm
in Room E4** of the Engineering Building

Pizza, refreshments, and an exhilarating presentation will be provided by:

Becky Milos, CHRP, HR & Recruitment Advisor
Jason Walker, BCLS, Land Surveyor & Project Manager,
Vancouver Region

Please **sign up** for this info session with **Michelle Ryan** in the **Geodesy and Geomatics Engineering Department**.

Interviews:

We will be interviewing students the following day (Thursday, November 28) for summer 2014 and permanent (grad) positions. Please e-mail your **resume and letter of introduction** with the subject line "UNB Resume - Surveying" to recruit@mcelhanney.com, and we will contact you to set up a time.

Questions?

Contact Becky Milos at recruit@mcelhanney.com or visit www.mcelhanney.com/students for further information

We look forward to meeting you!
