

**Computerized Exam Writing:**

**Student Waiver**

The Faculty of Law is offering you the option of using a service provided by Exam4 to allow you to take your exam using your personal computer. Please read the following notice carefully.

**Requirements** – Please carefully read the policy that is provided and evaluate whether you are able (have adequate technology) to write your exams on your personal laptop. This is an option for students. It is important that you know all the risks associated with writing your exam on your personal laptop rest with the individual student. Make sure you are prepared and have a reliable personal computer.

\_\_\_ **Yes**, I want to use Exam4 to write my final exams in December 2019 and April 2020
