PREFACE / AVANT-PROPOS

Founded in 1947 on the initiative of Eric L. Teed, the *UNB Law Journal* was and remains a student-run production. Mr Teed's continuing contribution to the *Journal* as an editor and author is obvious on an examination of this index. We gratefully acknowledge his leadership and support.

An examination of materials in this volume illustrates the development of the *Journal* across forty years. It began as a forum for both scholarly writing and contributions of a more informal character. It now pursues more strictly academic goals with an emphasis on articles of particular interest to the practicing lawyer in the Atlantic provinces.

Editors George Byrne and M. Kim Duggan began this index; Editor Christopher D.G. Pike directed it to a successful conclusion. We acknowledge with thanks their contribution.

Fondée en 1947, grâce à l'initiative de M. Eric L. Teed, la *Revue de droit de l'Université du Nouveau-Brunswick* a toujours été et est toujours une revue dirigée par les étudiants. Il suffit de jeter un coup d'oeil sur l'index pour remarquer la contribution continue de M. Teed à cette revue en tant que rédacteur et auteur. Nous lui sommes reconnaissants pour son appui et son leadership.

Le matériel de ce volume témoigne de l'évolution de la *Revue* au cours de ses 40 ans d'existence. Elle servait au début de forum pour la présentation d'articles érudits et d'ouvrages moins formels. Elle a maintenant des objectifs plus universitaires; elle met l'accent sur des articles intéressants particulièrement l'avocat praticien dans les provinces atlantiques.

Les rédacteurs George Byrne et Kim Duggan ont entrepris cet index; le rédacteur Christopher D.G. Pike l'a mené à bien. Nous les remercions pour leur contribution.
