

Welcome to Residence!

Space is limited, so bring only the things you really need. You can always bring more things later. Please coordinate with your roommate so that you don't end up with two TV's, two microwaves, or two mini fridges! Taking a campus tour can also give you a better idea how you can make your room feel more like home.

All rooms include the following: bed, dresser or under bed drawers, closet or wardrobe space, desk and chair. The rooms also have high speed Internet.

What to Bring

- Bedding (twin for most rooms, double for EPJ and accessible rooms): your favorite pillow, pillowcases, sheets, blankets, comforters and/or duvet
- Towels and washcloths
- Personal toiletries
- Computer and headphones
- Surge protector
- Fused power bars (not extension cords!)
- Small rug or carpet
- Message or memo board for your door
- Alarm clock-or use the one on your cell phone
- A small desk light
- Some plastic dishes and cutlery, plastic (not glass) mugs, food storage containers
- Laundry bag and soap –prices are \$1.75 per wash and \$1.75 per dry, this is taken off of your UCard
- Bath robe and slippers or flip-flops
- Raingear
- Winter clothes-bundle up it gets cold outside!
- Clothes hangers
- Clothing and some dress clothes
- Cleaning supplies and toilet paper if you have a private or semi-private washroom (shared with one other student)

Optional Items

- Television/DVD player, game console: If you don't have a TV, every Residence House has a lounge with cable TV.
- Mini fridges (max. 5.2 cu. ft.)
- Microwave ovens: If you don't have one, several houses have communal microwave ovens
- Electric tea kettles

If you will be living in a suite-style residence (Elizabeth Parr-Johnston), you will also need to bring dishes, pots and pans, cutlery and cooking utensils, cleaning supplies and toilet paper. It's a great idea to coordinate with your suite mates to make sure you're not all bringing the same things.

What NOT to bring

- Extension cords (fused power bars ok)
- Any open flame or candles.
- Milk crates (toxic in fire) but plastic bins approved for home use are fine
- Used couches or chairs
- Explosives, fireworks, ammunition, firearms or any weapons
- Pets
- Appliances with exposed heating elements (toasters, toaster-ovens, hotplates, etc.)
- Air conditioners or electric heaters
