How to apply for Direct Loans (Stafford) & Direct PLUS Loans to Study outside the United States

American citizens and permanent residents studying full-time can apply for subsidized and unsubsidized Direct Loans, Parent Plus Loans and/or Private Loans. By being proactive, and following the steps outlined below, you should still be able to access your aid in a timely manner.

Students please note, US Department of Education Direct Loan regulations do not allow students attending a foreign school to take any part of their program through distance/online education. Due to the Covid-19 pandemic, an exception to this regulation has been put in place until July 1, 2022.

Accessing the Direct Loan in Four Basic Steps

STEP 1: Complete the FAFSA at <http://www.fafsa.ed.gov>. You will need a pin number for your signature. If you do not have one you can apply on line at www.pin.ed.gov. If you are a dependent student your parent will need to sign the FAFSA with a pin number as well. They can obtain this pin number at www.pin.ed.gov.

STEP 2:

Complete a Master Promissory Note (MPN) at www.studentloans.gov. You will need your pin number from the FAFSA to complete this step.

1st year applicants: Complete an Entrance Interview at www.studentloans.gov, choose Entrance Counseling: Stafford Loan: select country; select school and proceed thru the next 6 steps. You must complete an entrance interview to receive your Direct Loan (Stafford) & PLUS funding.

STEP 3:

SEND your 8 page SAR to UNB's Director, Financial Aid, Shelley Clayton, by e-mail (clayton@unb.ca), by fax to (506) 453-5020 or by regular mail (see address listed on page 2).

STEP 4:

Complete a budget (**mandatory**) with the Director, Financial Aid articulating your costs and resources for your academic level and year of study. You can request a meeting with the Director by e-mailing clayton@unb.ca or by telephone (506) 453-4796. At the meeting, the Director and student will establish a budget defining the required resources to complete your year of study.

Additional Assistance:

A. Parent Plus Loan

Parents of dependent students may apply for a Parent Plus loan to assist your son/daughter's costs of education. A credit check is completed on the parent applying for the Plus loan.

To apply for the Parent Plus loan go to: www.studentloans.gov and sign in with your pin number and then follow the directions for doing the Master Promissory Note for a Parent Plus loan.

Note: If your credit check results in an adverse credit history determination, you will receive information from the US Department of Education about the endorser and extenuating circumstance options. If you are a parent and neither of these is a viable option, your dependent student will be eligible to receive additional Direct Unsubsidized Loan funds in the amount of \$4,000 for freshmen and sophomores and \$5,000 for juniors and seniors.

B. Private Loans are available to students with a co-signer. If interested in this private loan contact SALLIE MAE at <http://salliemae.com/landing/schoolapply/?InstID=00668500&loanprogram=SOSL&InstLndrID=900905>
