## TERRITORIAL ACKNOWLEDGEMENT

We acknowledge that our learning experience takes place on unceded and unsundered territory of Wolastoqiyik ("people of the beautiful and bountiful river"). This territory is covered by the Treaties of Peace and Friendship, which the Wolastoqiyik, Mi'kmaq and Peskotomuhkati nations first signed in 1725 and 1726. These treaties did not deal with the surrender of land and resources nor did it shift the "ownership" title to the Crown; rather, rules were established for an ongoing relationship between nations. We must respectfully acknowledge this and our roles in healing and reconciliation between nations.
