- The UNB Red Bombers are part of the Atlantic Football League (AFL). The AFL is Canada's only University Club Football league. The Red Bombers are the current AFL Champions and since 2009 have won the championship four times.
- Other teams in this league include the largest universities and colleges in the Maritimes: Dalhousie University Tigers (Halifax, NS), UNBSJ Seawolves (Saint John, NB) and Holland College Hurricanes (Charlottetown, PEI)
- Both home and away games are broadcasted live. A link will be provided on the teams Social Media prior to all home games, to allow your family and friends from away to watch you play.
- "Club" football is designed with your academic schedule and campus life in mind.
 - We play a 6 game regular season (3 home 3 away) plus a playoff game and a Championship game (Saturday or Sunday afternoons) : first game is September 19 with the championship game November 6.
 - Away games in the Maritimes and are all same day travel. i.e. no overnights.
 - During the school term we keep it to 2 evening practices per week.
- All tryouts are open to any student who loves the game and wants to be part of the UNB Red Bombers tradition

The AFL has proven to be the perfect league for the young player and veteran alike: young players wanting to build size, skills and gain playing time to move on to U SPORTS, Varsity football, as well as for players who love the game and want to continue to play at university, including former USPORTS varsity football players attending UNB for postgrad studies or on faculty transfer.

- Accredited coaching staff, full training staff and a licensed massage therapist
