Dear Mr. Meloche, Lord Beaverbrook is very anxious to meet you before he leaves London at the end of the month, and I shall be obliged if, immediately on receipt of this letter, you will get in touch with Mrs. Elton, Beaverbrook Foundations, 121/8, Fleet Street, E.C.4, in order that an appointment may be made with his Lordship. As time is short, perhaps you could telephone Mrs. Elton at FLE 9126.

Yours sincerely,
