\_\_\_\_\_ (Y)                      \_\_\_\_\_ (N)

Please provide name and contact of Faculty Member

Name:

Email:

Telephone:

GPA: Your GPA must be over 2.5 to apply, but as these positions are competitive, stronger GPAs will be an asset. Please attach a copy of your current transcript and resume.

### **Expression of Interest**

Academic standing is important, but consideration will also be given to several other factors. Please submit a one page “expression of interest” for the position. The UNB / QES International Internship Program offers an opportunity to enhance your resume and to gain skills, knowledge and experience to prepare you to become a Global Leader. This opportunity may also permit you to gain international experience in your chosen career field(s).

Please provide information relating to the following categories:

#### **Intent:**

Why are you applying to be a QES Scholar? How does this program help you achieve your academic, personal and professional goals? A large part of this program is directed to assisting you to become a Global Leader of the Commonwealth, what does this mean to you?

#### **Community Engagement:**

As part of the QES Program with Universities Canada, sharing your experience with members of the UNB community, the QES Canadian Scholars and other Commonwealth citizens is critical. Review the community engagement requirements of the QES program (<http://www.queenelizabethscholars.ca/qescholars>) and outline how you will share your experience with the Commonwealth Community.

#### **Educational History:**

Please include current **areas** of study and any past programs completed. In addition, list any courses, workshops or seminars you have attended which would enhance your application. For example: First Aid Training, Project Management Courses, Strategic Planning Sessions, Gender Studies Workshops, etc.

**Work and Volunteer Experience:**

Please list your present and past employment with the recent employer first. In addition, add any experience (paid or unpaid) which would enhance your application. For example: supervisory experience, teaching experience, community work (especially with mothers /infants), health sector experience, Public Sector work, Human Resource development, policy development, gender equality experience, research, etc.

**Skills and Knowledge:**

Please list and provide details on relevant skills and knowledge you have obtained through your education, work / volunteer experience, and personal interests. For example: international travel, use of survey equipment, GIS / GPS / Remote Sensing, software applications, languages, cultural experiences, exchange programs, etc.

**General Competencies:**

Please describe your general competencies which would benefit you during your internship. This may include (but not be limited to): analytical thinking, effective communications, flexibility, initiative, results orientation, etc.

**References:**

Please provide contact information for up to three (3) references: Academic, Professional / Work, and Personal. References will be contacted for the top five (5) ranked applications. The contact information should include: an email address and a daytime phone number (during working hours) for each referee.
