FREDERICTON CAMPUS

CONGRATULATIONS!

GRADUATES: CONGRATULATIONS!

Today is your day. Graduation celebrates not only the completion of your academic journey, but the perseverance, curiosity and determination that brought you to this moment.

As members of the UNB family, we come together to mark this extraordinary milestone and to honour all that you have accomplished.

During your time at UNB, you challenged yourselves, discovered your strengths and grew in ways that will shape your lives well beyond the classroom. You contributed to our campuses, supported one another and helped build the vibrant community that defines the University of New Brunswick. You arrived as learners, and today you graduate as leaders ready to make your mark!

As you take your next steps, know that UNB will always be part of your story. Today, you join a global UNB family of more than 100,000 alumni around the world, graduates who are shaping their communities through service, innovation and leadership. Wherever your journey leads, you remain part of the UNB family, carrying with you the values and spirit that shaped your time here.

With warmest congratulations,

KATHY WILSON, RN, BN'87, MN, PhD'08
Acting President and Vice Chancellor

LAND ACKNOWLEDGEMENT

We respectfully acknowledge that UNB stands on the unsurrendered and unceded traditional Wolastoqey land.

The lands of Wabanaki people are recognized in a series of Peace and Friendship Treaties to establish an ongoing relationship of peace, friendship and mutual respect between equal nations.

The river that runs through our city is known as Wolastoq, along which live Wolastoqiyik — the people of the beautiful and bountiful river. Wolastoq is also called the St. John River.

CEREMONIAL TRADITIONS

ENCAENIA AND CONVOCATION

Graduation brings together the entire University community — students, faculty, administrators, staff and alumni. The official components of the celebration take place on the platform.

The University of New Brunswick's Fredericton campus is one of the few institutions in North America that refers to its spring graduation ceremonies as **Encaenia**. The term comes from the Greek word encaenia, meaning "festival of the founders." The first Encaenia was held in Fredericton on June 24, 1830, at what was then King's College (later UNB). Introduced by Oxford graduate Edwin Jacob, the first and only head of King's College, Encaenia did not begin as a traditional graduation ceremony. Over time, the founders' tributes, speeches and reports gradually gave way to the awarding of degrees and the recognition of student accomplishments. The Fredericton campus also holds **Convocation** each October.

The University of New Brunswick's Saint John campus, established in September 1964, held its first convocation ceremony in May 1975. Since then, the Saint John campus has celebrated **Spring Convocation** in May and **Fall Convocation** in October each year.

USE OF LATIN

Although Latin has long ceased to be the language of instruction for all university courses, as it once was at Oxford and Cambridge, at Paris and Bologna, we have retained it at UNB for limited use on occasions of great academic solemnity, such as Encaenia and Convocation. The use of Latin today is a symbol of our academic descent from those earliest universities of medieval Europe and a humble reminder that the search for truth is both ancient and new.

Latin is used at the beginning of each ceremony, before the Mace is set on its ceremonial stand by the University Secretary and the Sacred Bundle has been laid by the Piluwitahasuwin and Associate Vice President, Indigenous Engagement. The President will then petition the Chancellor to begin the ceremony.

Praeses: *Amplissime Cancellari, placetne tibi ut officium incipiat?*
Cancellari: *Placet.*

President: Most noble Chancellor, is it your pleasure that the ceremony begins?
Chancellor: It is my pleasure.

Latin is also used in the supplication before the degree conferral.

WOLASTOQ HONOUR SONG

An Honour song is a nation's anthem. It honours who we are, respecting and identifying the people. It is typically sung at the beginning of an event or gathering and all in attendance are asked to stand while it's being sung.

The first Piluwitahasuwin at UNB worked with a number of talented singers to prepare the version of the Wolastoq Honour Song which is shared at academic ceremonies such as graduation.

THE SACRED BUNDLE

The Sacred Bundle is a wrapped collection of sacred items held by a designated carrier. The keeper of the Sacred Bundle carries a responsibility of courage to maintain truth in all interactions and has an obligation to promote unity within diversity. It also provides an obligation to encourage building of respectful and sacred relationships within the university. The ceremonial contents of the Sacred Bundle will provide guidance toward the shared task of forging a new path within the promise of Piluwitahasuwawsuwakon (forging a new path toward truth and reconcili-action).

The Sacred Bundle

THE MACE

The Mace, which symbolizes the authority of the university to award degrees, was officially used for the first time at UNB's 167th Encaenia in May 1996.

A gift of the university's fourth modern-day Chancellor, the late Fredrik S. Eaton, OC, the Mace was proposed by the late Colin B. Mackay, OC, QC, President Emeritus. It measures 4.5 feet in length and features an antique silver cup atop a butternut shaft.

The Mace

The George II, two-handled cup was given to the university in 1995 by the late S. A. H. Bridge, the great-great-grandson of Sir Howard Douglas, Bar't. It was once part of a collection of fine silverware presented to Sir Howard by the people of New Brunswick when he returned to England, after serving as Lieutenant Governor (1823-1831). During his term, Sir Howard took great interest in the institution then known as the College of New Brunswick. He persuaded the British government to grant it a Royal Charter, as King's College, and to provide half the funding for the construction of what is now the oldest university building still in use in Canada.

The cup, hallmarked LONDON 1734, is predated by its cover which bears a 1728 hallmark. The armorial engraving on the upper half of the cup and the crest and motto on the cover are those of Douglas of Kirkness, County Kinross.

New Brunswick artisan, the late Michiel Oudemans, created the staff for the Mace. Crafted from butternut, a wood common to the province, the staff features elements of the UNB coat of arms and symbols of New Brunswick: a book of learning, beavers (in honour of Lord Beaverbrook, the university's first modern-day Chancellor), a galley, fiddleheads and Atlantic salmon.

COAT OF ARMS

The UNB coat of arms was approved by the Board in May 1956. In 1996, it was "repatriated" at a ceremony at Rideau Hall. The late Governor General Roméo LeBlanc presided over the registration of the symbol with the Canadian Heraldic Authority.

Within the coat of arms, the university celebrates its roots, founders and history. The beavers, representing Lord Beaverbrook's commitment to UNB; the book, carrying UNB's motto, represents knowledge and education; and the ship is from New Brunswick's coat of arms.

SEAL

The current UNB seal was created in 1968. The Latin on the rim states it is the seal of The University of New Brunswick. The text on the left-hand page of the book reads in Hebrew, "In the Beginning, God Created the Heavens and the Earth… and the Spirit of God moved upon the Face of [the waters]." On the right-hand the Greek text reads, "The Gospel According to Saint John," followed by the first six words of the first verse of John's gospel, "In the beginning was the Word."

The seal appears on official UNB documents, including degree parchments, contracts and other legal documents.

ALUMNI PIN

In 2000, the UNB Associated Alumni began the tradition of presenting alumni pins to graduates. The pin carries memories of a life-changing experience at UNB and serves as a symbol that graduates will always be part of the alumni family of more than 100,000 worldwide. UNB alumni are leaders and innovators, driving change and transforming knowledge into action in communities around the globe. As our graduates pave their own path and inspire others along the way, we hope they wear their UNB alumni pin with pride.

INDIGENOUS AND AFRICAN GRADUATION STOLES

From left: UNB stole worn by African and African diaspora graduands, UNB stole worn by First Nation, Inuit and Métis graduands.

Graduation stoles are worn by some graduands to recognize and celebrate the histories, cultures and identities of First Nation, Inuit and Métis students, as well as African and African diasporic students. These stoles serve as a meaningful symbol of heritage and culture, while marking this significant academic milestone.

LATIN SUPPLICATION

DOCTOR OF PHILOSOPHY, MASTER'S AND BACHELOR'S DEGREES

Dean: Insignissime Praeses, amplissime Cancellari, supplicant Senatui et huic venerabili Collegio Gubernatorum hi magistri vel baccaulaurei vel scholares ut admittantur ad gradum Philosophiae Doctoris vel ad proprium Magistri gradum in sua quisque Facultate vel ad proprium Baccalaurei gradum in sua quisque Facultate.

Praeses: Placetne vobis, Senatores, placetne, Gubernaores, ut hi Supplicatores admittantur?

Gubernatores et Senatores: Placet.

Dean: Insignissime Praeses, amplissime Cancellari, tota Universitas, praesento vobis hosce Supplicatores ut admittantu ad gradum Philosophiae Doctoris vel ad proprium Magistri gradum in sua quisque Facultate vel ad gradum Baccalaurei in sua quisque Facultate, testorque illos, quoad omnia quae statute nostra requirant, aptos et idoneos esse.

Praeses: Ego admitto vos ad gradum Philosophiae Doctoris vel ad gradum Magistri vel ad gradum Baccalaurei in Universitate Novi Brunsvici.

Dean: Most distinguished President, most honorable Chancellor, and the entire University, I present to you these petitioners so that they may be admitted to the degree of Doctor of Philosophy or to their respective Master's degree in each Faculty, or to the degree of Bachelor in each Faculty, and I testify that they are, in all respects required by our statutes, fit and suitable.

President: I admit you to the degree of Doctor of Philosophy or to the degree of Master or to the degree of Bachelor at the University of New Brunswick.

Governors and Senators: It is our pleasure.

Dean: Most distinguished President, most noble Chancellor, all the University, I present to you these supplicants that they may be admitted to their proper degree of Doctor of Philosophy, Master, or Bachelor, each in their own Faculty; and I testify that they, so far as all our statutes require, are fit and suitable.

President: I admit you to the degree of Doctor of Philosophy, Master, or Bachelor in the University of New Brunswick.

RECESSIONAL

At the close of the ceremony, following the singing of O Canada, the audience is asked to remain standing, if members are able, until the platform party and graduates recess.

THE DR. ALLAN P. STUART MEMORIAL AWARD FOR EXCELLENCE IN TEACHING

DR. DAVID FOORD, Associate Professor and Dean of the Faculty of Management, has built his career on the conviction that students learn best when they apply knowledge to real problems.

At the University of New Brunswick, he has shaped courses, programs, partnerships, and learning opportunities that have influenced students across disciplines and degree levels.

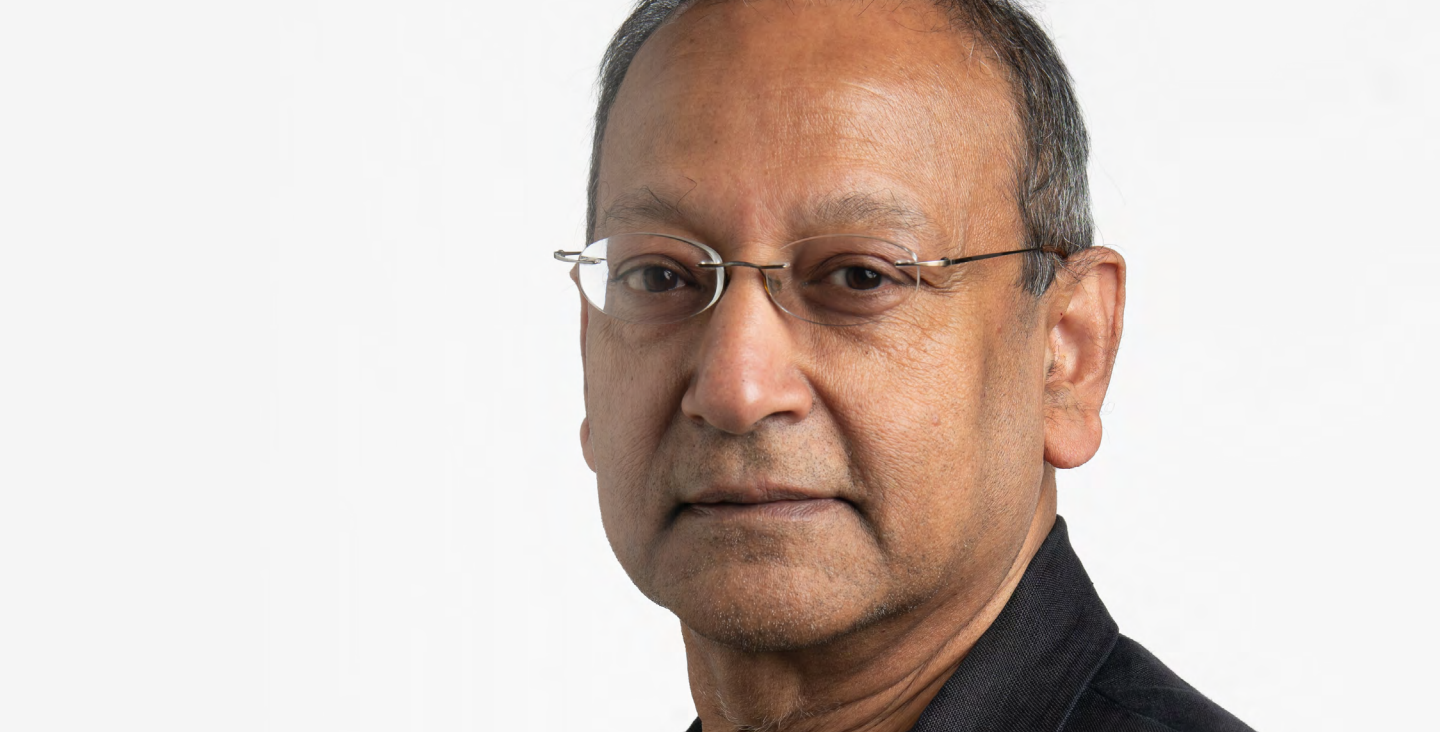

A UNB faculty member since 2017, David has taught in the Faculty of Engineering and now in the Faculty of Management, where he is currently dean. During that time, he has created learning experiences that allow students to engage directly with entrepreneurship, leadership, innovation and community development.

His impact is evident in the curriculum itself. He has created 16 courses, including in entrepreneurship, sustainability, community leadership, business history, business model innovation, and Indigenous perspectives on business planning and entrepreneurship.

David has expanded opportunities for experiential learning through partnerships with organizations such as Planet Hatch and many community and business partners across New Brunswick. He has created projects that allow students to apply their skills in practical settings while contributing to organizations throughout the province.

He has supervised and mentored master's students, doctoral candidates, postdoctoral fellows, interns, and student entrepreneurs, and is known for generously sharing his teaching materials, experience, and advice with fellow instructors.

Students consistently praise him for his engagement, guidance, and commitment to their success. His contributions have been recognized through the UNB Student Union Red Award for Teaching Excellence; his appointment as a University Teaching Scholar; the UNB Merit Award for Contributions to Teaching, Research and Service; and the MBA Graduate Student Professor Recognition Award. His student evaluations reflect the high regard in which he is held by those he teaches.

UNIVERSITY OF NEW BRUNSWICK AWARD FOR EXCELLENCE IN RESEARCH

DR. VIQAR HUSAIN has built an international reputation in theoretical physics and is recognized for contributions to general relativity, quantum gravity, cosmology, and the study of black holes.

A professor in the Department of Mathematics and Statistics, Viqar has devoted his career to some of physics' most fundamental questions, including the search for a unified understanding of gravity and quantum mechanics.

His research has produced advances that are highly regarded in the field. These include the Husain-Kuchař model, which introduced a new test bed for developing quantization techniques for gravity [new solutions of the Einstein equation known as the Husain-Martinez-Nuñez and Husain spacetimes, and a new formulation of the self-dual Einstein equation].

He has also demonstrated important simplifications in quantum gravity and has made important contributions to the study of quantum effects in black hole spacetimes and semi-classical gravity.

The research community highly regards these contributions. The NSERC Physics Evaluation Group rated Viqar "Outstanding" in the Excellence of the Researcher category, and he is regularly invited to present his work at international conferences.

His influence is also evident in other researchers' work where his name has been cited in the titles and abstracts of many published papers.

His achievements have earned recognition from UNB and the wider scientific community. He received First Prize in the Gravity Research Foundation Essay Competition in 1998, the UNB Merit Award in 2003, and the University Research Scholar Award in 2017. He was also recognized as an Outstanding Referee by the American Physical Society.

Viqar's impact extends beyond his own research. He has supervised undergraduate and graduate students and postdoctoral fellows who have earned major awards and gone on to research and faculty positions.

He has also served the broader research community through leadership and advisory roles with NSERC, the Banff International Research Station, and the Atlantic Association for Research in the Mathematical Sciences.

For continued excellence in research, contributions to theoretical physics, commitment to training the next generation of researchers, and service to the scholarly community, Viqar will receive the UNB Award for Excellence in Research.

HONORARY DEGREE RECIPIENT

DR. HAYLEY WICKENHEISER is an Olympic champion, physician, author, and advocate whose achievements on and off the ice have inspired Canadians for more than three decades.

Regarded as one of the greatest players in women's hockey history, Hayley joined Canada's national women's hockey team at the age of 15, representing her country for 23 years.

Throughout her extraordinary career, she won four Olympic gold medals and one silver medal, as well as seven gold medals and six silver medals at the International Ice Hockey Federation's Women's World Hockey Championship. She remains Team Canada's all-time Olympic leader in assists and points, and ranks among the greatest scorers in IIHF Women's World Championship history.

Following her professional hockey career, Hayley fulfilled her lifelong dream of becoming a physician. She earned degrees in kinesiology, science, and medicine from the University of Calgary and completed her medical training while serving as Assistant General Manager of Player Development with the Toronto Maple Leafs. Her work in family and emergency medicine reflects a deep commitment to improving the well-being of others.

A passionate advocate for youth development and access to sport, Hayley has supported organizations including Right to Play, KidSport, Project North and Canadian Tire Jumpstart. In 2009, she founded WickFest, an annual event that combines competition, mentorship, and skills development for thousands of young female hockey players.

Hayley is an Officer of the Order of Canada, a member of the Hockey Hall of Fame and the IIHF Hall of Fame, and a recipient of numerous honours recognizing her leadership and service. Her career reflects excellence, perseverance, and an enduring commitment to creating opportunities for others.

THANK YOU

The University of New Brunswick acknowledges the efforts and contributions of the many staff, faculty, students, alumni and friends who have worked diligently to organize the 72nd Convocation Ceremony. We thank you for supporting the students and being their champions.

WELCOME TO THE UNB ALUMNI FAMILY

Congratulations graduates! Today we celebrate you and all that you've accomplished during your time at UNB. Crossing the stage marks the beginning of a lifelong connection to your alma mater as ProudlyUNB alumni.

You're part of a family of more than 100,000 alumni worldwide. UNB alumni are leaders and innovators, transforming knowledge into action in communities around the globe. Your role starts by staying connected. You now have access to exclusive perks, programs and services designed to support you in all stages of life, encourage continuous learning and keep you connected to your university and peers following graduation.

Make the most of your alumni experience:

1. **Join the UNB Alumni Perks app for exclusive discounts and benefits**
2. **Explore our virtual and continuous learning programs**
3. **Connect with fellow alumni at network events around the world**
4. **Get inspired by our Alumni News digital magazine**
5. **Purchase a diploma frame and display your degree with pride**
6. **Follow @unbalumni on social media**

Graduates, we can't wait to see where you go and what you do!
You are one of over 100,000 reasons we are proud.

PHOTOGRAPHY AND LIVESTREAM

One photo will be taken of each graduate on the stage. In November, graduates will be able to download print quality photographs at UNB.ca/graduation.

The ceremony will be livestreamed and broadcast at UNB.ca/graduation. UNB is committed to protecting personal information. If you have any privacy concerns, contact the University Secretariat, at secretariat@unb.ca or (506) 453-4613.
