How are you accessing GreenShield+?

Select how you are accessing services:

Employees will select:
“Through an employer or organization”

***Eligible Dependants will select:** *“As a dependant”*

*eligible dependants are those who do not require care under the main plan member. Those that are underage or minors can access services by being added to the main plan members/employee’s account – simply start a consultation and click on **“someone else in my care”** to create a dependant profile
