

Post Doctoral Fellow Position

The position is in the Dr. J. Herbert Smith Centre for Technology Management and Entrepreneurship (TME), Faculty of Engineering, University of New Brunswick (UNB), Canada. A recent Industry Canada report ranked UNB number one in Teaching and Learning, among all Canadian higher education institutions that support entrepreneurship education. In 2014, StartUp Canada recognized UNB with the Most Entrepreneurial Post Secondary Institution of the Year award.

TME is dedicated to cultivating new ideas, creative thinking and entrepreneurial spirit in the ever changing world of technology. The Centre offers unique and innovative undergraduate and graduate programs designed to ensure students and working professionals with technological backgrounds have the necessary management and entrepreneurial skills to succeed in today's world.

Description of the position

- The candidate will contribute to the research agenda of the Centre, with particular focus on the challenges of building sustainable cultures for innovation and entrepreneurship.
- The position will entail conducting research including data collection and analysis, writing for publication in academic conferences and journals, and developing grant proposals.
- Teaching obligations and administrative responsibilities will be limited.
- The candidate will work closely with a variety of academic colleagues from various disciplines, and with multiple stakeholders from industry, government and the broader community.
- The position is initially for one year, subject to renewal based on performance.
- The position will work closely with John McLaughlin, President Emeritus and TME Scholar in Resident.

To qualify for the positions, candidates should have:

- Completed PhD in a relevant field (Leadership, Strategy, Innovation, & Management) within last two years.
- Experience with industry.
- Strong quantitative analytical and empirical skills.

Applications will include:

- Cover letter
- Detailed current curriculum vitae
- Statement of research interests
- Sample publications
- The names and contacts of three referees

The application deadline is January 15th, 2021 or until the job is filled. Send your application by email to Dr. Dharendra Shukla at the Dr. J. Herbert Smith Centre, University of New Brunswick.
