About this Codebook

This data product is provided 'as is,' and NB-IRDT makes no warranty, either express or implied, including but not limited to warranties of merchantability and fitness for a particular purpose. In no event will NB-IRDT be liable for any direct, special, indirect, consequential or other damages, however caused.

Due to the operational nature of administrative data sets, there is potential for discrepancies between the names of variables and their corresponding definitions. In the case of such a discrepancy, the variable definition should be considered the most accurate representation.

Overview

Colon Cancer Table.

Sample Universe

Contains people who have been screened for colon cancer.

Date Range

2017-02-08 to 2022-06-30.

Data Source

New Brunswick Department of Health

How to Cite this Codebook

New Brunswick Institute for Research, Data and Training. (2023). Colon Cancer Screening 2023 Codebook. Fredericton, NB: New Brunswick Institute for Research, Data and Training.

Acknowledgements

The Colon Cancer Screening dataset is used with the permission of the New Brunswick Department of Health.

About this Product

Purpose of the Product

The purpose of the Colon Cancer Screening dataset Codebook is to provide information on the linkable New Brunswick Colon Cancer screening data held at the New Brunswick Institute for Research, Data and Training (NB-IRDT). This data is accessible to researchers for health system and public health research.

Definitions and Concepts

N/A

Content

The Colon Cancer Screening dataset contains details of the individuals who have completed a colon cancer screening, as well as details on the colon cancer screening itself.

General Methodology

N/A

Limitations

The Colon Cancer Screening dataset only contains those who have decided to do a colon cancer screening. Therefore, information on individuals who have not participated in a colon cancer screening are not in the dataset.

Comparison to Other Products/Versions

N/A

Using with Other Products

N/A
