About this Codebook

This data product is provided 'as is,' and NB-IRDT makes no warranty, either express or implied, including but not limited to warranties of merchantability and fitness for a particular purpose. In no event will NB-IRDT be liable for any direct, special, indirect, consequential or other damages, however caused.

Due to the operational nature of administrative data sets, there is potential for discrepancies between the names of variables and their corresponding definitions. In the case of such a discrepancy, the variable definition should be considered the most accurate representation.

Overview

The one-time quality Improvement grant is funding available to early learning and child care facilities that offer services to children under the age of five for the purpose of increasing the quality of both indoor and outdoor learning environments, including both equipment and materials. At least 50% of the funding must be used to enhance or create more natural outdoor play spaces for children to align with one of the two New Brunswick Early Learning and Child Care Curriculum Frameworks.

Sample Universe

Early Learning and Childcare facilities that offer services to children under the age of five in New Brunswick.

Date Range

2018-2020

Data Source

New Brunswick Department of Education and Early Childhood Development
