## About this Codebook

This data product is provided 'as is,' and NB-IRDT makes no warranty, either express or implied, including but not limited to warranties of merchantability and fitness for a particular purpose. In no event will NB-IRDT be liable for any direct, special, indirect, consequential or other damages, however caused.

Due to the operational nature of administrative data sets, there is potential for discrepancies between the names of variables and their corresponding definitions. In the case of such a discrepancy, the variable definition should be considered the most accurate representation.

## Overview

HEAR Recap Hep-C.

## Sample Universe

Contains medical records of patients who have used clinics in the Saint John/Moncton region that specialize in the care of those with Hepatitis-C or at risk for Hepatitis-C.

## Date Range

2014-04-14 to 2021-02-10

## Data Source

Horizon Health Network

## How to Cite this Codebook

New Brunswick Institute for Research, Data and Training. (2023). HEAR Recap (HH07) Codebook. Fredericton, NB: New Brunswick Institute for Research, Data and Training.

## Acknowledgements

The HH07 Database is used with the permission of Horizon Health Network.

## About this Product

### Purpose of the Product

The purpose of the HH07 Database Codebook is to provide information on the linkable New Brunswick Hepatitis-C data held at the New Brunswick Institute for Research, Data and Training (NB-IRDT). This data is accessible to researchers for public health and various other areas of research.

### Definitions and Concepts

Any relevant definitions and concepts related to the dataset

### Content

Database contains the HEAR Recap Hep-C table, which has 1000 variables.

### General Methodology

N/A

### Limitations

As the database only has medical records from 2014 to 2021, any data outside that date range is not available.

### Comparison to Other Products/Versions

N/A

### Using with Other Products

N/A

## Record Layouts and Data Descriptions

### Overview

| # | Name             | Unit of Observation    | Variables |
|---|------------------|------------------------|-----------|
| 1 | HEAR Recap Hep-C | Patient Medical Record | 1000      |
