August 2012

Dear Retiree:

The University of New Brunswick values its relationship with retired faculty and staff. Your service to the institution, commitment to our mission and ongoing interest in our future well-being are tremendous assets as we all work to make UNB the best it can be.

In recognition of the importance of retirees, the University is partnering with the UNB Retired Employees Association to provide the Retirees Value Pack. This program began as a pilot two years ago as an initiative of the President's Standing Committee on Retired Faculty and Staff. The Value Pack has been very successful; well over 100 retirees participated in it last year. As a result, the University Management Committee has agreed to continue the program, and to work more closely with the UNBREA to make it readily available to all eligible UNBREA members.

Information on UNBREA membership and the Value Pack basket of benefits is enclosed. I encourage you to join the Association or to renew your membership, as the case may be. It's a great deal for only \$15.

Over the past year I have had the privilege of meeting many retired employees at UNBREA gatherings and throughout our communities. I have been impressed by retirees' energy and enthusiasm. Through UNBREA membership and the Retirees Value Pack, I hope you will continue to be active and engaged in the life of our institution.

Warmest regards,

A handwritten signature in cursive script that reads "Eddy".

H.E.A. (Eddy) Campbell  
President & Vice-Chancellor
