Note 1: 33 credit hours (chs) of option courses are required for the BBA degree. Of the total 33 chs, a maximum of 18 chs can be Business or Economics courses (ie courses starting with "BA" or "ECON") and a maximum of 12 chs can be courses in other disciplines that are at the introductory level (1000 level)

Note 2: To count toward the BBA degree, a minimum grade of "C" is required for all courses except option courses. A minimum grade of "D" is sufficient for option courses to count toward the BBA degree.

Note 3: Red font within the flowchart indicate Economics major courses; to be awarded the Economics major, a minimum grade of "C" is required for these courses.

Note 4: A total of 27 credit hours (chs) are required for the ECON major; 12 chs of compulsory courses (ECON 2013, ECON 2023, ECON 3013 and ECON 3023) plus 15 chs of elective Economic courses or approved substitutes from disciplines other than Economics (Note: maximum of 6chs of substitutes from other disciplines). Many upper-level business courses qualify as approved substitutes; a current list is available from the Faculty of Business Academic Advisor (by emailing sjadvising@unb.ca) or the Economics discipline. Students may not double count courses required for the general BBA.

Note 5: Students should declare their major(s) in their second year. As programs and course are subject to change, please consult with the Faculty of Business' Academic Advisor at sjadvising@unb.ca or book an advising appointment at <https://outlook.office365.com/owa/calendar/Advisors@unbcloud.onmicrosoft.com/bookings/>
