**Note 1:** 33 credit hours (chs) of option courses are required for the BBA degree. Of the total 33 chs, a maximum of 18 chs can be Business or Economics courses (ie courses starting with "BA" or "ECON") and a maximum of 12 chs can be courses in other disciplines that are at the introductory level (1000 level).

**Note 2:** 3 credit hours of Business electives are awarded to students who successfully complete all three CO-OP Work Term Reports (BA2903, BA3903 & BA4903).

**Note 3:** To count toward the BBA degree, a minimum grade of "C" is required for all courses except option courses. A minimum grade of "D" is sufficient for option courses to count toward the BBA degree.

**Note 4:** Red font in the flowchart indicates Economics major courses; to be awarded the Economics major, a minimum grade of "C" is required for these courses.

**Note 5:** A total of 27 credit hours (chs) are required for the ECON major; 12 chs of compulsory courses (ECON 2013, ECON 2023, ECON 3013 and ECON 3023) plus 15 chs of elective Economic courses or approved substitutes from disciplines other than Economics (Note: maximum of 6chs of substitutes from other disciplines). Many upper-level business courses qualify as approved substitutes; a current list is available from the Faculty of Business Academic Advisor (by emailing sjadvising@unb.ca) or the Economics discipline. Students may not double count courses required for the general BBA.

**Note 6:** Students should declare their major(s) in their second year.
