PLEASE READ THIS SECTION CAREFULLY BEFORE COMPLETING YOUR APPLICATION.
Provide all information requested; your application will be processed when all the application documents have been received.

1. Each application for full-time or part-time studies must be accompanied by a $65 CDN non-refundable application processing fee. This must be in the form of a cheque or money order payable to the “University of New Brunswick” or be charged to your VISA, MasterCard or American Express. University policy prohibits processing your application without the $65 processing fee.

2. High school applicants: by the March 31 deadline, please have your high school send an official transcript (including your Grade 11 final grades and a complete listing of Grade 12 courses) directly to the appropriate campus Registrar’s Office. Please note mid-term grades are not used for admission assessment purposes. A complete official transcript of your final Grade 12 grades is required to finalize your admissions file.

3. If you are attending or have attended college or university, you must arrange to have official transcripts sent directly to the appropriate campus Registrar’s Office.

4. Students who have attended other post-secondary institutions and are requesting transfer credits must supply course outlines for all courses. Typically, these course descriptions may be obtained online or through the respective Office of the Registrar at the previous institution.

5. If you are applying for Education, Kinesiology/Recreation and Sport Studies, Nursing or a Bachelor of Integrated Studies on the Fredericton campus, you must complete special forms (see program descriptions below). Your application should be accompanied by all required supporting documentation with the exception of your official transcripts, which must be sent by your school.

6. If you have attended high school in the USA or an independent secondary school following an American-based curriculum, you must request that your SAT 1 or ACT results be sent to the appropriate campus Registrar’s Office.

7. Applicants who have been required to withdraw from UNB or any other university or college because of failure to meet academic standards must provide (1) a personal letter explaining their previous poor academic performance and why they feel they will be successful if admitted and (2) a satisfactory letter of recommendation from an employer or an individual (non-family member) who can comment on the applicant’s ability to succeed in further studies. Additional evidence that the applicant is likely to be successful may also be requested. Such applicants will not be considered for admission/re-admission for at least 12 months from the time they were required to withdraw.

8. All documents submitted in support of an application for admission become the property of the University of New Brunswick and will not be returned to the applicant or provided to other institutions.

9. Applicants to the Faculty of Law should consult the Faculty of Law at 506 453-4693 or unb.ca/fredericton/law.

10. Permanent Residents whose native language is not English may submit the results of an English language proficiency test (e.g. IELTS). Permanent Residents who do not present the results of an English language test or have not satisfied the minimum requirements, may be considered for conditional admission. This requirement may be waived in cases where the applicant has studied in Canada for three or more years. In all cases, the University reserves the right to require proof of language proficiency before permission will be granted to register in academic courses.

- BACHELOR OF EDUCATION DEGREE – Fredericton Campus

First-Year UNB students must complete the FEAA application package by January 31. FEAA application packages can be requested through the Registrar’s Office or found online at unb.ca/application.
