## Meghan Kyle

**Sr. Consultant, Data & Analytics Practice  
Slalom, Vancouver**

- Certificate of Data Analytics
- Bachelor
- Masters
- PhD
- Computer Science
- Data Analysis
- Information Science

Meghan has spent 10+ years as a Business Intelligence Specialist designing analytics and reporting solutions for both the private corporate and public sectors of New Brunswick and British Columbia.

Her experience ranges from IBM ETL developer and report writer to data warehouse designer, modeler, and Tableau practitioner.

Today she works directly with business leaders and mentor data analysts to elevate and promote the use of analytics across her organization.

Received:

- Christopher Cusack Computer Science and Data Analysis Prize
