THE DEPARTMENT OF COMPUTER SCIENCE PRESENTS

14TH ANNUAL NEW BRUNSWICK HIGH SCHOOL PROGRAMMING COMPETITION

Our programming competition involves participants solving a set of short and challenging coding problems. The faster you solve them, the higher you will be ranked. The competition starts with easy to moderate problems, graduating to more advanced problems. Scores will be displayed live during the competition!

THURSDAY, MAY 13 | 9 a.m.-12:30 p.m.
 Participating New Brunswick high schools

OPEN TO ALL NEW BRUNSWICK
 HIGH SCHOOL STUDENTS!

Students compete mostly for glory this year in two divisions:

Proctored | Students in this division will compete under the direct supervision of a teacher at their school.

Open | This division takes place on Saturday, May 15, 12:30 - 4 p.m. Students in this division will compete unsupervised.

PRIZES

Small UNB and sponsor "swag" prizes will be awarded for the top 3 students in each division.

The top student in the proctored division will be recorded on the Bill Davis Memorial Trophy, which will be sent to their high school for display.
