			<input type="checkbox"/>	Elective – 3000/4000 level Biology/Psychology	3ch

PLEASE NOTE - Students must apply and be accepted to a partner program before being transferred into a BHS competitive major. The competitive major application process occurs in January of each year. Contact the Program Coordinator for more information on applications. See tables below for competitive major schedules. **REGARDING TRANSFER** - Non-UNB courses may be used for completion of requirements but may not count toward to completion of total CHs. It is recommended that students complete the listed requirements as soon as they are available in a Fall/Winter term. HSCI upper-level courses should only be taken after competitive major entry as they may require clinical experience for completion.

*BHS Radiography Moncton students take HSCI 3061 and 3092 in year 3 and 4 while at the Moncton Hospital.
