STEM Expo South 2020

Friday March 13th, 2020

G. Forbes Elliot Athletic Centre, UNB Saint John

Dr. Tim Alderson, Executive Chair, Mr. Darren White, Co-Chair, and Dr. M.H. (Moe) Hamdan, Chief Judge and Science Fair Coordinator, extend this warm welcome to participating students, parents, guardians and teachers to the **2020 ASDS Science Fair** and the first **STEM Expo South**. We look forward to meeting you, and thank you in advance for joining us in this great celebration of science. We have a team of judges who are experts in their fields, from industry and academia, who are thrilled to have this opportunity to view and evaluate your creative output. We are confident you will have an enriching experience with us and an enjoyable day. We have planned a number of activities throughout the day that will end with the Awards Ceremony. We do have a good number of prizes that we cannot wait to award to you.

We encourage parents, guardians and teachers to join us from 9:30am to 4:00pm to view the STEM Expo exhibitions. More than 20 STEM related industries will be represented to provide attendees with an opportunity for networking. Public viewing of the students' projects will take place from 2:30 and 4pm.

Admission to the event is free of charge and parking is complementary. Events of the day will proceed as per the following schedule.
