

Mental Health Supports and Resources for Students Outside of NB

Counsellors provide clinical services to students registered in a degree program who are residing in the province of New Brunswick. Earlier during the pandemic, our office had obtained temporary permission from professional colleges across Canada to be able to make exceptions and extend services to students in other provinces but at this time, and as campus re-opens, we can only offer services to students who are physically in the province at the time of their appointment. We hope you will reach out when you return to NB and in the meantime, no matter where you are, we encourage you to explore these other options for mental health support:

[Togetherall](#) Digital mental health support platform which is free and available 24/7 for all UNB & STU students. It is a safe and anonymous space where you can get help from an online peer-to-peer community in a real time engagement.

[UNB Wellness Hub of Mental Health Resources](#) List of resources recommended by UNB counsellors.

[Crisis Services Canada](#) Call 9-8-8, Text 9-8-8 or visit their website for more information.

Tips for Finding a Counsellor in your Province

Find a psychologist by province: [Canadian Psychological Association](#)

Find a social worker by province: [Canadian Association of Social Workers](#)

Find a counsellor by province: [Canadian Counselling and Psychotherapy Association](#)

The CAMH provides additional considerations when looking for mental health services: [Centre for Addiction and Mental Health](#)

It can also be helpful to ask your local physician, family and friends for recommendations.
