# How to apply for William D. Ford DIRECT LOANS (Formerly known as Stafford) & DIRECT PLUS Loans to Study outside the United States

American citizens and permanent residents studying full-time can apply for subsidized and unsubsidized Direct Loans, Parent Plus Loans and/or Private Loans. By following the steps outlined below, you will be able to access your aid in a timely manner.

Students please note, US Department of Education Direct Loan regulations do not **typically** allow students attending a foreign school to take any part of their program through distance/online education. Due to the Covid-19 pandemic, an exception to this regulation has been put in place until <u>August 31, 2023</u>.

# Accessing the Direct Loan in Four Basic Steps

**STEP 1:** Complete the FAFSA at <u>Filling Out the FAFSA® Form | Federal Student Aid</u>. The Department of Education changed the way you log in to Federal Student Aid websites. Students, parents, and borrowers are now required to use an FSA ID, instead of a Federal Student Aid PIN, to log in. If you haven't logged in to a Federal Student Aid website (<u>fafsa.gov</u>) since May 10, you will need to create an FSA ID before you can log on in the future. **Create an FSA ID** here: <u>StudentAid.gov/fsaid</u>

**STEP 2:** Complete a Master Promissory Note (MPN) at <u>Completing a Master Promissory Note</u> <u>Federal Student Aid</u>. You will need your pin number from the FAFSA to complete this step.

**PLEASE NOTE**, in addition, <u>1st year applicants</u> also must complete an Entrance Interview at <u>https://studentaid.gov/entrance-counseling/</u>, choose Entrance Counseling: Stafford Loan: select country: select school and proceed thru the next 6 steps. You must complete an entrance interview to receive your Direct Loan & PLUS funding.

**STEP 3:** SEND your 8-page Student Aid Report (SAR) to UNB's Director, Financial Aid, Shelley Clayton, by

e-mail (<u>clayton@unb.ca</u>), by fax to (506) 453-5020 or by regular mail (see address listed on page 2).

## STEP 4:

Complete a budget (**mandatory**) with the Director, Financial Aid articulating your costs and resources for your academic level and year of study. You can request a meeting with the Director by e-mailing <u>clayton@unb.ca</u> or by telephone (506) 453-4796. At the meeting, the Director and students will establish a budget defining the required resources to complete your year of study.

## Additional Assistance:

## A. Parent Plus Loan

Parents of dependent students may apply for a Parent Plus loan to assist your son/daughter's costs of education. A credit check is completed on the parent applying for the Plus loan.

To apply for the Parent Plus loan go to: <u>Apply for a Direct PLUS Loan as a Parent | Federal</u> <u>Student Aid</u> and sign in with your pin number and then follow the directions for doing the Master Promissory Note for a Parent Plus loan. **Note:** If your credit check results in an adverse credit history determination, you will receive information from the US Department of Education about the endorser and extenuating circumstance options. If you are a parent and neither of these is a viable option, your dependent student will be eligible to receive additional Direct Unsubsidized Loan funds in the amount of \$4,000 for freshmen and sophomores and \$5,000 for juniors and seniors.

# Additional Assistance (continued):

**B.** Private Loans are available to students with a co-signer. If interested in this private loan, contact SALLIE MAE at <u>Undergraduate Student Loans - Smart Option Student Loan | Sallie Mae</u>
