

Workshop 4 Goals

- Explore and define interactive writing.
- Explore teacher and student roles during interactive writing.
- Present phase 4, interactive writing.

Workshop 4 Plan

- Discuss interactive writing.
- Brainstorm on teacher and student roles during interactive writing.
- View phase 4 on the DVD, interactive writing.
- Verify predictions about teacher and student roles during interactive writing.
- Compare and contrast shared writing and interactive writing using an organizational chart.

Phase 4: Interactive Writing

- Collective creation of a text by students
- Negotiation of content while considering the genre's structure and the rubric
- Pair or group planning, drafting, analysis and revision of the interactive text

Discussion Questions on Interactive Writing

- a. Have you already had your students write a collaborative text?
- b. How did you do it?
- c. What was the value of this kind of activity?

Interactive Writing: Brainstorming Question

In your opinion, what behaviours should teachers and students display during interactive writing activities?
