

TRANSFORMATIVE EDUCATION FOR THE FUTURE

Preparing students to thrive.

HIGH QUALITY PROGRAMMING

- improve student satisfaction and retention
- increase enrolment and attract new student populations
- develop new programs and courses to fill curriculum gaps
- provide university-wide access to programs and instructors

SUPPORTING ALL LEARNERS

- provide professional development opportunities to promote inclusive learning
- develop a framework to establish and support the needs of all equity-seeking students
- increase opportunity to learn from Indigenous Elders and Knowledge Keepers

UNB ONLINE

- develop, enhance and increase online offerings
- expand course and micro-credential offerings
- increase enrolment and improve student satisfaction

STUDENT DEVELOPMENT

- provide a positive and transformative learning environment
- increase participation in extracurricular and co-curricular activities
- bolster student health services
- foster a community-centred culture

GOAL

INNOVATIVE & INTERDISCIPLINARY PROGRAMS

GOAL

EXPERIENTIAL LEARNING FOR EVERY STUDENT

GOAL

INCLUSIVE LEARNING ENVIRONMENT

GOAL

A CENTRE OF INNOVATIVE TEACHING AND LEARNING PEDAGOGY

GOAL

EXPAND UNB ONLINE

GOAL

SUPPORT THE HOLISTIC AND TRANSFORMATIONAL DEVELOPMENT OF STUDENTS

EXPERIENTIAL EDUCATION

- increase number of students engaging with experiential education
- grow and solidify community partnerships
- become regional and national leaders in experiential education

LEARNING FUTURES

- establish a centre for learning futures
- support innovative teaching and learning approaches
- provide ongoing professional development for faculty and instructors

STRATEGIC VISION
