

We recognize and respectfully acknowledge that all UNB course interactions take place on unsundered and unceded traditional territory of Wolastoqiyik (Maliseet). This territory is covered by the Treaties of Peace and Friendship which the Wolastoqiyik (Maliseet), Mi'kmaq, and Passamaquoddy peoples first signed with the British Crown in 1725. The treaties did not deal with surrender of lands and resources but in fact recognized Wolastoqey (Maliseet), Mi'kmaq, and Passamaquoddy title and established the rules for what was to be an ongoing relationship between nations
